For the month of November, Regional Headquarters (RHQ) in the Prairie Region took part in a baby food drive in support of the Saskatoon Food Bank and the Government of Canada Workplace Charitable Campaign (GCWCC), to wrap up the 2011 workplace campaign.

RHQ staff gave generously for the cause! Staff donated more than \$600.00 in cash and food, ranging from jars of fruits, vegetables, proteins, boxes of cereals and tins of formula.

On Friday, November 25, 2011, a large donation of baby food was presented to Laurie O'Connor, Acting Chief Executive Officer of the Saskatoon Food Bank.

Brenda LePage, Regional Deputy Commissioner and GCWCC Executive Chair and Anu Kashyap, Manager of Resource Development with the United Way were on hand to say a few words regarding the importance of charitable giving.

Thanks to the generosity of the staff at RHQ Prairies, those babies in need will have full tummies!

What a great way to wrap up the 2011 GCWCC Campaign! Our goal for this year was \$26,000, but we were able to surpass our goal and raise over \$34,000. Way to go RHQ!
