

Ways to Volunteer in Your Community

Saskatoon and area provides many opportunities for volunteers to engage in their community.

- Volunteer independently (ex. maintenance, office clerk, computer work, etc.)
- Volunteer in groups with friends or co-workers (ex. neighbourhood clean-up, fundraising events, walk-a-thons, etc.)
- Volunteer with your family (ex. canvas for donations, help at a community club, Christmas activities, etc.)
- Ongoing volunteer work within an organization (ex. weekly visitor, committee member, tutoring, etc.)
- One-time volunteer events (ex. annual sport events, annual fundraising walks/rides/runs/relays, church function, theatre productions, community events/festivals, etc.)
- Virtual volunteering (ex. design a website for an organization, data entry, internet research, etc.)
- Create your own opportunity (ex. start a student activist group for a certain cause, organize a reading club for younger children, etc.)
