

2018 UNITED WAY
**LEADERSHIP
GIVING
PROGRAM**

WHO ARE UNITED WAY LEADERS?

Leaders are everyday people who believe in the work of United Way. They know that change is not possible without the support of the whole community working together.

Leaders show local love and take action by giving gifts of \$1,200 or more. They know lasting and positive change is possible and our community is strongest when everyone has the opportunity to reach their full potential.

“At the heart of every community is its people. Through our actions, we show that we CARE. The extension of a helping hand to someone in need; listening to those around us; and the engagement of family and friends towards a common goal of igniting possibility all bring out what it truly means to be positively impacting the lives of those around us.”

“I support United Way of Saskatoon and Area for a variety of reasons. Our organization serves the community, with a focus on enhancing the lives of vulnerable citizens. Through this focus, United Way provides a mechanism for the community to come together for a common purpose, and that is to uplift everyone.”

CeCe Baptiste

Chair, United Way Board of Directors
Associate Director Finance,
Saskatchewan Indian Institute of Technologies

UNITED WAY INVESTS IN PEOPLE

United Way works year round to invest time, knowledge and resources to improve the lives of our community's most vulnerable people.

We participate in capacity-building initiatives, research, collaborative projects, education and training, and facilitated strategic partnerships in order to combat social issues.

Thank you to all donors and volunteers for making these investments possible.

POWERED BY GENEROSITY

Generosity reflects a love for our city and our commitment to act with kindness towards one another and our most vulnerable neighbours. Generosity moves us into what is possible.

It is because of the generosity of our donors and partners that United Way is able to change lives every day.

“ I love to help people; at home; at work; or wherever it is needed. Donating is just one way I know how to help.”

Zachary Wapple

UNITED WAY LEADS

United Way is more than just a funder; we are a catalyst for long-term, sustainable change.

Our goal is for the community to be measurably better off as a result of our work and the work of our partners. Your support of United Way is invested in local programs and initiatives that support our mission of a better life for everyone in our community, and for sustainable solutions to root causes of social issues.

United Way works to positively impact the lives of vulnerable children, youth and their families so they have the means to thrive as strong citizens in our community.

United Way will **help kids be all that they can be** through a focus on success in education and transition into adulthood by working to achieve the following outcomes:

- Engagement in learning
- Connectedness and community involvement
- Emotional and physical well-being

United Way will **move people from poverty to possibility** through a focus on personal stability by working to achieve the following outcomes:

- Employment and security
- Housing stability
- Food security

United Way will **build strong communities** through a focus on mental, emotional and spiritual well-being by working to achieve the following outcomes:

- Personal well-being and safety
- Community supports
- Neighbourhood and community engagement

THANK YOU

United Way Leaders choose to act because they want to help families move out of poverty into healthy and sustainable situations; they want our community to work together in order to thrive and they want to provide children and youth with the means to become successful young adults.

In 2017, 665 Leadership donors contributed a total of **\$1,629,965**.

100% of donations to United Way of Saskatoon & Area stay in our community because we know our community is strongest when everyone has the opportunity to thrive.

“I support United Way because I believe that if we each give just a little, there is no limit to what we can achieve together.”

LOCAL LOVE

An act of local love can take many forms. It might be as simple as saying hello to someone on the street, or as exciting as an organization coming together to work on a community project. At United Way, we're committed to channelling local love in all we do... to ignite the desire in everyone to improve this community we call home.

CORPORATE LEADERSHIP LIST

PLANNED GIVING OPTIONS

A planned gift is a personal matter – a thoughtful commitment to the future. Planned gifts are often made from assets accumulated with care over many years.

United Way of Saskatoon and Area is able to help you achieve your charitable objectives.

You may be surprised at how simple it is to make a substantial gift with flexible giving options such as:

- A bequest in your will.
- A gift of life insurance.
- A gift of cash, securities, or property.
- A gift in the form of residual interest.
- A commemorative gift.

WAYS TO GIVE

Many United Way of Saskatoon and Area Leaders make personal donations or make use of the payroll deduction option through their employers, but there are other ways to be a United Way Leader.

DONATIONS OF LISTED SECURITIES

Take advantage of greater tax saving opportunities while creating positive change in our community.

By donating publicly traded shares to United Way, you will not pay any capital gains tax normally associated with such a disposition. You will receive a tax receipt for the full value of the shares but are not taxed on any gain. (Donors of securities therefore do not need to take any capital gain into income.)

THE TOMORROW FUND

By making a gift to The Tomorrow Fund, a donor can ensure a gift will continue in perpetuity. The gift is invested wisely, professionally managed, and indexed to inflation ensuring the real value of the capital is maintained. The annual income generated in excess of the amount capitalized for inflation is used by United Way to support innovative and effective community programs.

CHARITABLE TAX CREDITS IN SASKATCHEWAN

WHILE YOUR DONATION IS HELPING OTHERS, LET THE TAX SAVINGS HELP YOU...

- Donations to charity are deducted directly from your taxes in the form of a credit applied against taxes payable.
- This charitable tax credit reduces the amount of federal and provincial tax you may pay in the according year.
- Regardless of personal income, donations of equal size are credited equally.
- The system rewards extra giving; the more you donate, the larger your tax credit.
