

# — WHAT DOES — LOCAL LOVE — LOOK LIKE? —

The need for mental health services is an #unignorable issue facing our community. That's why United Way helps youth and adults gain access to counseling, peer mentorship, safe housing and skills training. And it's all thanks to people like you, who show local love by giving back to this place we call home. Rose's life was changed by Theresa's decision to show her local love.
